A nutrition clinic in Jordan operating out of several branches in the capital-Amman, with highly qualified team of nutrition experts. We have created the clinic's logo based on the design of the perfect human body shape, the Hourglass Body. We have created a unique visual identity for the clinic's social media sites. We have also handled all the clinic's publications including the physical examination reports.

HOURGLASS BODY

I finally figured out what my body shape is, it's an hourglass with a few extra minutes !

A beauty clinic in the Jordanian capital–Amman, run by several well–known and highly qualified dermatologists. We have created the logo and visual identity of the clinic based on the modern and unique approach that the clinic employs in using lasers to remove body hair, which is one of its primary services. We have also created the clinic's social media posts based on this idea.
